# OUR STORY

Under family management, we try to pamper our customers with a variety of carefully created drinks and dishes.

It all started in 2012, when Mulata Café was created in Maribor, Slovenia.

Dragan and Maja's move to this beautiful island caused the closure of the bar in Slovenia. With attention to the details and passion, on December 21, 2024 they presented Mulata Café in Corralejo. This time united in family harmony.

We appreciate every customer, every positive public comment and we greatly respect the less positive ones.. for which we are grateful to receive them in private. On this way we can improve together day after day.
